Introduction

SYMBIO EDUCATION RANGE

YOUR TOTAL HYGIENE SOLUTIONS FOR EDUCATION

The Symbio Education Range was introduced to provide high quality products with simple and easy to understand usage and dilution instructions. The Education Range has been specially formulated with safety in mind. While in their concentrated state the chemicals may be hazardous under workplace health and safety guidelines (GHS). However each product, where possible, has been designed to be non-hazardous at the point of use, when correctly diluted, ensuring your cleaners, staff and students are safe in their environment.

Our formulations have withstood the test of time with continual customer satisfaction. The unique benefits of this range are fast becoming a necessity to keep up with growing demands and increased hygiene requirements within the industry.

Every product selected has been purposefully trialled and proven to meet the hygiene needs of schools in Queensland by Symbio, Department of Education and some cleaners in your own schools.

Astra

MULTI PURPOSE CLEANER

Astra is a specially formulated neutral cleaner, designed for maintaining all types of hard surfaces, including polished floors, benches, desks and other surfaces.

PRODUCT NAME	SIZE	CODE
Astra - 5 L	5 L	syeduastr-5

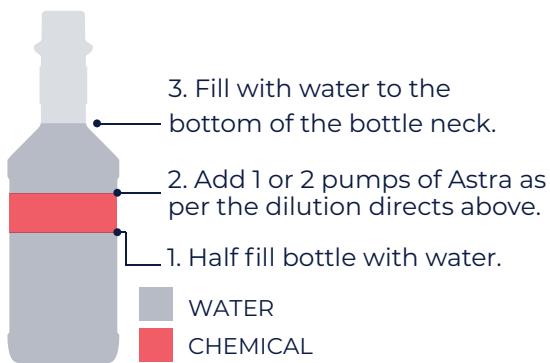

DILUTION DIRECTIONS:

General Cleaning:

1:25 - 30mls in 750mls or 1 pump

Heavy Duty Cleaning:

1:12.5 - 60mls in 750mls or 2 pumps

DIRECTIONS FOR USE:

MULTI PURPOSE

1. Dilute Astra with water as per dilution directions.
2. Apply an even layer of diluted solution to surface.
3. Clean area with a cloth or microfibre and allow to dry.

✓ Neutral pH

✓ Fresh Citrus Fragrance

✓ Septic Safe

PRODUCT SPECIFICATIONS:

pH Level: 7.5 - 8.5

Colour: Red

Odour: Lemongrass

PPE:

Always take care when handling any chemicals. Refer to the SDS for additional information.

Scan the QR code for more information + the relevant SDS and training video.

Bullseye

BIOLOGICAL DRAIN MAINTAINER

Bullseye is a combination of microorganisms that effectively combat bad odours from drains by replacing the bad bacteria with good bacteria. Can be used in all drain types: vertical, horizontal, traps and pits. Safe for all material varieties of plumbing lines and reaches where mechanical drain cleaners cannot. Safe for the environment and users alike.

PRODUCT NAME	SIZE	CODE
--------------	------	------

Bullseye - 5 L	5 L	syedubuey-5
----------------	-----	-------------

DILUTION DIRECTIONS:

Ready to use. Do not dilute.

DIRECTIONS FOR USE:

INITIAL DOSE & PROBLEM DRAINS

1. Pour down the drain a small amount of water.
2. Add 100 ml to the drain-source of the odour problem.
3. Leave for a minimum of 2 hours, overnight is always the best option.
4. Rinse with water and repeat for up to 3 days as required.

MAINTENANCE

1. Pour down the drain a small amount of water.
2. Add 50 ml to the drain-source of the odour problem.
3. Leave for a minimum of 2 hours, overnight is always the best option.
4. Rinse with water and repeat weekly for best results.

*Do not use any other cleaning chemicals within 2 hours of applying. Not suitable for unblocking clogged drains.

- ✓ *Natural Ingredients*
- ✓ *Long Lasting*
- ✓ *Septic Safe*

PRODUCT SPECIFICATIONS:

pH Level: 6.0 - 8.0
Colour: Green
Odour: Mint

PPE:

Always take care when handling any chemicals. Refer to the SDS for additional information.

Scan the QR code for more information + the relevant SDS and training video.

Concept

NON RINSE SANITISER

Concept is a fragrance free quaternary ammonium compound sanitiser (the active ingredient for sanitising), formulated to provide excellent anti-bacterial properties, in any area where hygiene is concerned. Ideal for use on any hard surface after cleaning has been completed. Also suitable for food preparation areas as it will not contaminate when diluted as instructed.

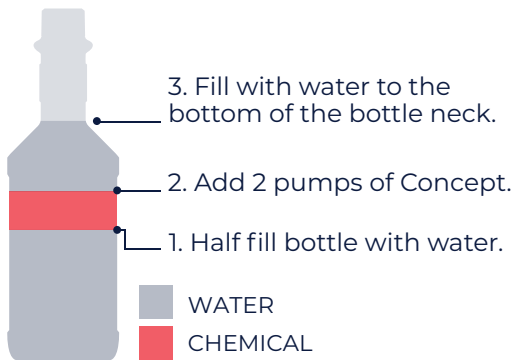

PRODUCT NAME	SIZE	CODE
Concept - 5 L	5 L	syeduconc-5

DILUTION DIRECTIONS:

Sanitising:

1:12.5 - 60mls in 750ml or 2 pumps
800ppm available Quat.

DIRECTIONS FOR USE:

MULTI PURPOSE

1. Clean surfaces and equipment thoroughly with Astra and water and allow to dry. Ensure surfaces have been rinsed thoroughly and are free of detergent residue.
2. Dilute Concept with water as per dilution directions.
3. Apply diluted solution to the area to be sanitised.
4. Allow to air dry. No rinsing is required.
5. Sanitiser solution should be replaced every 24 hours or if contaminated.

- ✓ **Safe on All Surfaces**
- ✓ **Fragrance Free**
- ✓ **Suitable in Food Areas**
- ✓ **Septic Safe**

*When diluted and used in accordance with the manufactures instructions.

PRODUCT SPECIFICATIONS:

pH Level: 6.5-7.5
Colour: Clear
Odour: Nil

PPE:

Always take care when handling any chemicals. Refer to the SDS for additional information.

Scan the QR code for more information + the relevant SDS and training video.

Easy Crème

ABRASIVE HARD SURFACE CLEANER

Easy Crème is a mild abrasive cleaner containing a high quality detergent. It is specially formulated to rapidly penetrate and remove difficult stains such as soap scum, body fats and oils and mild rust stains. May be used on a variety of surfaces such as stainless steel, porcelain, ceramic and laminated surfaces without scratching. It's a high performance, ready to use, thickened, hard surface power cleaner.

PRODUCT NAME	SIZE	CODE
Easy Cream - 750mL	750mL	syedueacr-750

DILUTION DIRECTIONS:

Ready to use. Do not dilute.

DIRECTIONS FOR USE:

1. Apply directly to soiled surface or squeeze onto a cloth, sponge or non-scratch scourer.
2. Gently rub/agitate the surface.
3. Rinse off and wipe clean with a damp cloth.
4. Dry surface with an absorbent cloth.

***if unsure of the suitability of Easy Crème to the surface to be cleaned, pre-test in an inconspicuous area first.**

- ✓ **Non Scratch Formula**
- ✓ **Citrus Fragrance**
- ✓ **Septic Safe**

PRODUCT SPECIFICATIONS:

pH Level: 8.5 - 9.0
Colour: Off white
Odour: Fragrant

PPE:

Always take care when handling any chemicals. Refer to the SDS for additional information.

Scan the QR code for more information + the relevant SDS and training video.

Expel

NEW FORMULA

GRAFFITI & CHEWING GUM ELIMINATOR

Expel is a professional formula with unique activating agents for the quick and easy removal of graffiti and chewing gum. Can be used on any hard surface, including painted or metallic surface.

PRODUCT NAME	SIZE	CODE
Expel - 1 L	1 L	syeduexpe-1

DILUTION DIRECTIONS:

Ready to use. Do not dilute.

DIRECTION FOR USE:

GRAFFITI REMOVAL

1. Apply by swabbing onto the surface using a clean cloth or scourer and leave for 1 to 3 minutes.
2. Scrub well using a stiff brush or abrasive pad.
3. Rinse well with water and wipe over with a clean cloth.

CHEWING GUM REMOVAL

1. Apply a small amount directly to the gum and leave for 5 minutes.
2. Remove gum by using a suitable scraper.

- ✓ Safe on All Surfaces
- ✓ Easy To Use
- ✓ Fast Acting

PRODUCT SPECIFICATIONS:

pH Level: N/A
Colour: Clear
Odour: Citrus

PPE:

Always take care when handling any chemicals. Refer to the SDS for additional information.

Scan the QR code for more information + the relevant SDS and training video.

Extractor

Heavy Duty Multi Purpose Cleaner

Extractor is a heavy-duty multipurpose cleaner & degreaser formulated for a wide variety of cleaning tasks. Designed to clean heavily soiled surfaces that have a build-up of dirt, grease and grime. Extractor is suitable for spot cleaning carpets, kitchen bench degreasing and cleaning heavily soiled vinyl/tiled flooring including removing grease from mechanical workshop flooring. Extractor is also suitable for use with floor scrubbers and pressure cleaners.

PRODUCT NAME	SIZE	CODE
Extractor - 5 L	5 L	syeduextr-5

DILUTION DIRECTIONS:

Carpet Spot Cleaning:

Ready to use. Do not dilute.

General Cleaning:

1:30 - 30mls in 750mls or 1 pump

Heavy Duty Cleaning:

1:4 - 180mls in 750mls or 6 pumps

Floor Scrubbers / Pressure Cleaning:

1:80 - 12.5mls per litre or 2 pumps per 5L

DIRECTIONS FOR USE:

CARPET SPOT CLEANING

1. Apply a small amount on soiled area.
2. Pat dry with paper towel or cloth.

HARD SURFACE CLEANING

1. Dilute Extractor with water as per dilution directions.
2. Apply an even layer of diluted solution to surface and allow up to 1 minute for regular duty cleaning, and up to 5-10 minutes for heavily soiled surfaces.

Clean area with appropriate cleaning equipment

FLOOR SCRUBBERS & PRESSURE CLEANING

1. Add diluted product to equipment tank and apply as per manufacturer's instructions.

* When pre-spraying or spot cleaning always test on an inconspicuous section before widespread use.

* All food contact surfaces should be rinsed with potable water after use.

- ✓ **Commercial Grade**
- ✓ **Fresh Outdoor Fragrance**
- ✓ **No Harsh Solvents**
- ✓ **Septic Safe**

*When diluted and used in accordance with the manufactures instructions.

PRODUCT SPECIFICATIONS:

pH Level: 12.0 - 13.5
Colour: Red
Odour: Woody

PPE:

Always take care when handling any chemicals. Refer to the SDS for additional information.

Scan the QR code for more information + the relevant SDS and training video.

Hercules

NEW FORMULA

ORGANIC ACID MULTI PURPOSE CLEANER

Hercules is an organic acid based formulation for maintaining clean and hygienic conditions in a range of areas including all bathroom areas, kitchens and outdoor areas. The perfect solution for removal of water scale and grime build up.

PRODUCT NAME	SIZE	CODE
Hercules - 5 L	5 L	syeduherc-5

DILUTION DIRECTIONS:

- Fits 750mL dispensing bottle.

PUMP

CODE: PUMP-30ML-5

- For liquids only (Not suitable for solvents).
- 30mL dosage per pump.
- Fits 5L chemical container.

TAP IN CAP

CODE: TACA-02

- Always store bottles fitted with a cap tap in an upright position to avoid leaks.
- Fits 5L chemical container.

MEASURING JUG

CODE: IM.250JPM

- The 250ml measuring jug is made from top quality materials to ensure suitability with cleaning chemical decanting.

Brooms, Brushes, Dustpans

BROOM HEAD Medium Fill

CODE: ED10110A

- Premium medium stiff bristles for particle pick-up.
- Ideal for indoor and outdoor use to shift medium particles and litter.
- Fits: ED11293
- Dimensions: L400mm.

COBWEB BRUSH Soft with Telescopic Handle

CODE: ED10395

- For removing cobwebs from ceilings and high up hard to reach areas.
- Used inside and outside.
- Comes with: 1600m telescopic extension handle .
- Also fits: ed41115, ed41100, ed41141.
- Dimensions: L1000mm - L1600mm.

DECK SCRUB with Handle

CODE: ED18970

- Heavy duty bristle clusters scrub through the toughest grime.
- Use on decks, concrete and any outdoor hard surfaces.
- Great for boat decks.
- Dimensions: L1470mm

DELUXE LOBBY PAN with Pistol Grip

CODE: ED19061

- Industrial grade pan.
- Designed for constant use in harsh environments.
- Ergonomic handle for comfort.
- Single clip broom holder.
- Dimensions: L820mm.

DUST PAN & BRUSH SET

CODE: ED19124

- Constructed of flexible material.
- Added surface contour strip for grit pick-up.
- Premium flagged fill for dust and particle pick-up.
- Suitable for all commercial and domestic applications.
- HACCP Approved.

Brooms, Brushes, Dustpans

ERGO TOILET BRUSH SET

CODE: O164791

- Angled bristles get deep under the toilet rim.
- Stiff bristles for a thorough clean.
- Dimensions: L800mm.

TRACK & SEAL BRUSH

CODE: O164850

- Slim, narrow brush designed to fit into hard-to-reach grooves and crevices that sponges miss.
- Medium stiff bristles loosen dirt and grime.
- Scraper removes tough dirt and grime.

HEAVY DUTY LOBBY PAN BROOM

CODE: ED19065

- Medium stiff bristles trap particles and litter.
- Fits: ED19061.
- Dimensions: L700mm.

MILLET BROOM

- Premium natural millet fibres captures dirt and grit.
- Ideal for outdoor hard surfaces.
- Comes with a premium 25mm powder coated handle.
- Dimensions: L1200mm.

TOILET BRUSH TIDY SET

CODE: ED10205

- Stiff, durable bristles to remove stains.
- Head shaped to get into the bottom of the bowl.
- Open face holder for easy removal and cleaning.
- Dimensions: L400mm.

Buckets

METAL WRINGER

BLUE
CODE: ED28560

RED
CODE: ED28570

YELLOW
CODE: ED28550

- With an all new registered design, the Edco 15 Litre Metal wringer bucket has been developed with the daily cleaner's needs in mind.
- Buckets can be stacked to minimise storage in cleaner's storage rooms.
- Twin foot pedal for left and right handed users.
- Enhanced pouring spout offers better control when emptying the bucket.
- Roller Lock Design stops the bucket from jolting forward when emptying the bucket.
- Hand grip at the back of the bucket aids pouring and won't get scuffed on the floor, leaving no sharp edges as the bucket ages.
- Dimensions: W450 x D310 x H370mm.

ALL PURPOSE BUCKET

CODE: ED28020

- Ideal general purpose bucket for window cleaning and general cleaning.
- Capacity: 11 Litres.
- Dimensions: W455 x D240 x H190mm.

DURA CLEAN SUPER BUCKET

CODE: O165034

- Industrial strength bucket.
- Easy grip handle with pouring lip and base grip.
- Capacity: 12 Litres.

HANDY CADDY

CODE: ED28750

- Ideal carry-all for small tools, spray bottles and cloths.
- Robust moulding and design.
- Fits onto most carts to make it an integrated product.
- Dimensions: W280 x D400 x H120mm.

Handles

ALUMINUM HANDLE

BLUE
CODE: ED11293

RED
CODE: ED11291

YELLOW
CODE: ED11292

- A general purpose commercial grade handle.
- Ergonomic swivel grips & nylon Enduro tips.
- Dimensions: L1500mm.

DUOP ALUMINUM FIXED HANDLE

CODE: ED33020

- Simply click the fixed handle onto the quickball system on any size .
- Duop Cleaning Head to increase your cleaning reach.
- Dimensions: L650mm.

DUOP ALUMINIUM TELESCOPIC HANDLE

CODE: ED33021

- Simply click the fixed handle onto the quickball system on any size.
- Duop Cleaning Head to increase your cleaning reach.
- Ideal for cleaning floors, walls and overhead surfaces.
- Dimensions: L900mm - L1550mm.

EDCO ENDURO EXTENSION HANDLE

CODE: ED27210

- Fits: ED18117,1180.
